PRODUCT VISUALIZATION | INDUSTRIAL DESIGNER

Jinyang Zhou

Product & Industrial Designer with experience in **product visualization, technical communication, and engineering collaboration** within manufacturing environments.

Experienced in developing photorealistic 3D renderings, animations, interactive product visualizations, and communication materials that support product development, marketing, and international customer engagement. Passionate about transforming complex engineering products into clear and compelling visual experiences.

Professional Experience

Feb 2025 - Present	Product Visualization Designer PERONI POMPE Product Visualization - Created 30+ photorealistic renderings for industrial pump products. - Developed interactive 3D product viewers for customer presentations. - Produced 10+ product animations, including operating simulations, exploded views and maintenance tutorials. Technical Communication - Designed product catalogs, corporate presentations and promotional videos. - Produced exhibition graphics and marketing assets for 3 international trade fairs. - Collaborated with an external agency on the redesign of the corporate product catalog. Engineering Collaboration - Redesigned product components alongside engineering teams, improving product aesthetics while maintaining manufacturability. - Supported visualization for 5+ customized engineering projects. International Communication - Supported 2 Factory Acceptance Tests (FAT) by coordinating technical documentation and facilitating communication between engineering teams and overseas customers.	Corsico, Italy
Oct 2024 - Feb 2025	UX design intern ELIHOME - conducted user research and competitive benchmarking across kitchenware products. - identified user needs and product opportunities through qualitative research. - supported product strategy and design direction for sustainable kitchenware collections.	Milano, Italy
Sep 2024 - Dec 2024	Product Design Intern ANTONIO LANZILLO & PARTNERS STUDIO - Developed early-stage product concepts through ideation, sketching and aesthetic exploration. - Produced 3D models and photorealistic renderings for design reviews and client presentations. - Introduced AI-assisted visualization workflows for product rendering and video production. - Supported the planning and organization of the studio exhibition during Milan Design Week.	Milano, Italy

Education

2022 - 2026	Industrial Product Design Bachelor's degree	POLITECNICO DI MILANO
Jun - Jul 2025	Design For Social Impact Summer school	THE UNIVERSITY OF TOKYO

Awards

2025	Red Dot Design Award Design Concept - Inclusive Design
2025	London Design Award Conceptual Design - Exhibition & Events
2024	Muse Design Awards Conceptual Design - Smart Home

Events & Exhibitions

Apr 2026	Milano Design Week Operazione offline Qwen
Jun - Jul 2025	Milano Design Week Exhibition assistant KUKA HOME
Jun - Jul 2025	Volunteer assistant Salone del Mobile.Milano
