

JINYANG ZHOU

INDUSTRIAL PRODUCT DESIGNER | PRODUCT VISUALIZATION | TECHNICAL COMMUNICATION

Milan, Italy | +39 3463264241 | jinyang.zhou2026@outlook.com

Portfolio: <https://zhoujinyang.com/> | LinkedIn: <https://www.linkedin.com/in/jinyangzhou/>

Eligible to work in Italy | Notice period: approximately one week

PROFESSIONAL SUMMARY

Industrial product designer and 2026 Politecnico di Milano graduate with manufacturing experience in product visualization, technical communication, and engineering collaboration. Creates photorealistic renderings, product animations, interactive 3D viewers, and communication assets for product development, marketing, technical sales, and international customers. Experienced in supporting customized engineering projects and Factory Acceptance Tests.

PROFESSIONAL EXPERIENCE

Product Visualization Designer | Peroni Pompe | Corsico, Italy | 2025-Present

- Created 30+ photorealistic renderings for industrial pump products and pumping systems.
- Developed interactive 3D product viewers and produced 10+ product animations, including operating simulations, exploded views, and maintenance tutorials.
- Designed product catalogs, corporate presentations, and promotional videos for sales, exhibitions, and international customers.
- Produced exhibition graphics and marketing assets for 4 international trade fairs; collaborated with an external agency on the corporate product catalog redesign.
- Redesigned product components with engineering teams, improving aesthetics while maintaining manufacturability.
- Supported visualization for 5+ customized engineering projects.
- Supported 2 Factory Acceptance Tests (FAT) by coordinating technical documentation and communication between engineering teams and international customers.

UX Design Intern | Elihome | Milan, Italy | 2024-2025

- Conducted user research and competitive benchmarking across kitchenware products.
- Identified user needs and product opportunities through qualitative research.
- Supported product strategy and design direction for sustainable kitchenware collections.

Product Design Intern | Antonio Lanzillo & Partners Studio | Milan, Italy | 2024

- Developed early-stage product concepts through ideation, sketching, and aesthetic research.
- Produced 3D models and photorealistic renderings for design reviews and client presentations.
- Introduced AI-assisted visualization workflows for product rendering and video production.
- Supported the planning and organization of the studio exhibition during Milan Design Week.

EDUCATION

Bachelor's Degree in Industrial Product Design | Politecnico di Milano | 2026

Design for Social Impact, Summer School | The University of Tokyo | 2025

SELECTED AWARDS

Red Dot Design Award - Inclusive Design (2025) | London Design Awards - Exhibition & Events (2025) | MUSE Design Awards - Smart Home (2024)

CORE COMPETENCIES AND TOOLS

Core Competencies: Industrial product design; product visualization; technical communication; product communication; 3D rendering; product animation; interactive 3D visualization; engineering collaboration; user research; visual storytelling

CAD and 3D: SOLIDWORKS; Alias; Rhino; KeyShot; Blender

Creative and Communication: InDesign; Illustrator; Photoshop; Premiere Pro; After Effects; Lightroom

Additional: Figma; Procreate; AI-assisted visualization tools

LANGUAGES

Chinese: Native | English: B2 | Italian: B2
