

JINYANG ZHOU

INDUSTRIAL PRODUCT DESIGNER | PRODUCT VISUALIZATION | TECHNICAL COMMUNICATION

Milan, Italy | +39 3463264241 | jinyang.zhou2026@outlook.com

Portfolio: <https://zhoujinyang.com/> | LinkedIn: <https://www.linkedin.com/in/jinyangzhou/>

Eligible to work in Italy | Notice period: approximately one week

PROFESSIONAL SUMMARY

Industrial and product designer experienced in product visualization, technical communication, and engineering collaboration in manufacturing. I create photorealistic 3D renderings, animations, interactive visualizations, and communication materials supporting product development, marketing, and international clients. I transform complex engineered products into clear, engaging visual experiences.

PROFESSIONAL EXPERIENCE

Product Visualization Designer | Peroni Pompe | Corsico, Italy | 2025-Present

- Created 30+ photorealistic renderings for industrial pump products and pumping systems.
- Developed interactive 3D product viewers for customer presentations.
- Produced 10+ product animations, including operating simulations, exploded views, and maintenance tutorials.
- Designed catalogs, corporate presentations, and promotional videos for sales, exhibitions, and international clients.
- Created exhibition graphics and marketing assets for 4 international trade fairs.
- Collaborated with an external agency on the redesign of the corporate product catalog.
- Redesigned product components with engineering teams, improving aesthetics while maintaining manufacturability.
- Supported visualization for 5+ customized engineering projects.
- Supported 2 Factory Acceptance Tests (FAT), coordinating technical documentation and communication with international clients.

UX Design Intern | Elihome | Milan, Italy | 2024-2025

- Conducted user research and competitive benchmarking across kitchenware products.
- Identified user needs and product opportunities through qualitative research.
- Supported product strategy and design direction for sustainable kitchenware collections.

Product Design Intern | Antonio Lanzillo & Partners Studio | Milan, Italy | 2024

- Developed early-stage product concepts through ideation, sketching, and aesthetic exploration.
- Produced 3D models and photorealistic renderings for design reviews and client presentations.
- Introduced AI-assisted visualization workflows for product rendering and video production.
- Supported the planning and organization of the studio exhibition during Milan Design Week.

EDUCATION

Bachelor's Degree in Industrial Product Design | Politecnico di Milano | Awarded 2026

Design for Social Impact, Summer School | The University of Tokyo | 2025

SELECTED AWARDS

Red Dot Design Award - Inclusive Design (2025) | London Design Awards - Exhibition & Events (2025) | MUSE Design Awards - Smart Home (2024)

CORE COMPETENCIES AND TOOLS

Core Competencies: Product visualization, industrial design, technical communication, product communication, 3D rendering, product animation, engineering collaboration, visual storytelling

CAD: SOLIDWORKS, Alias, Rhino

Visualization: KeyShot, Blender

Creative: InDesign, Illustrator, Photoshop, Premiere Pro, After Effects, Lightroom

Other: Procreate, Figma, AI-assisted visualization tools

LANGUAGES

Chinese: Native | English: B2 | Italian: B2
